

ExxonMobil Point Thomson Gas Cycling Project

Exhibit E

Export Pipeline - Operations ROW Legal Description

The right-of-way for operation of the export pipeline shall be as follows.

A 100 foot wide right-of-way, oriented with 50 feet on the north side and 50 feet on the south side of the right-of-way centerline, beginning at a point 50 feet east of the flange of the pig launcher where the export pipeline exits the Point Thomson Central Processing Facility (point of origin), within Section 3, Township 9 North, Range 23 East, Umiat Meridian; then in a westerly direction through Sections 3, 4, 5, 6, Township 9 North, Range 23 East, and through Section 34, 32, 31, Township 10 North, Range 23 East, and through Sections 36, 35, 34, Township 10 North, Range 22 East, then in a southwesterly direction through Sections 3, 4, 5, 6, Township 9 North, Range 22 East, and through Sections 1, 2, 12, 11, 10, 9, 8, 7, 17, 18, Township 9 North, Range 21 East, and through Sections 13, 14, 15, Township 9 North, Range 20 East, and then in a northwesterly direction through Sections 16, 9, 8, Township 9 North, Range 20 East, then in an easterly direction within Section 8, Township 9 North, Range 20 East, to a point 50 feet east of the flange of the pig receiver where the sale pipeline enters the Badami Central Facilities Pad within Section 8, Township 9 North, Range 20 East, Umiat Meridian; along the route as generally depicted on figure 1 and in greater detail on figures 2 through 23, dated Nov. 25, 2002 depicting the Point Thomson Gas Cycling Project Proposed Export Pipeline Construction and Operations ROW Exhibit A, attached hereto and incorporated herein.

The aggregate area of the operations right-of-way is 259 acres, more or less, all within the Barrow Recording District.

Contingency Land Tracts – The following land tracts are not crossed by the Operations ROW but are in its general vicinity and could be impacted due to pipeline route revisions arising from the ROW Lease Application review and detailed pipeline design processes. These land tracts are referred to as “Contingency Land Tracts” on figure 1, dated Nov. 25, 2002, depicting the Point Thomson Gas Cycling Project Proposed Export Pipeline Construction and Operations ROW Exhibit A, attached hereto and incorporated herein. Contingency land tracts are:

- Section 33, Township 10 North, Range 23 East, Umiat Meridian;
- Sections 32 & 33, Township 10 North, Range 22 East, Umiat Meridian;
- Sections 1, 2, 7, 8 & 9, Township 9 North, Range 22 East, Umiat Meridian;
- Sections 3, 4, 5, 15 & 16, Township 9 North, Range 21 East, Umiat Meridian; and
- Sections 10, 11, 12, 17, 21, 22, 23 & 24, Township 9 North, Range 20 East, Umiat Meridian.
